

Buy Now

Buy Now provides a quick and convenient way to purchase vehicles through the ManheimFowles website 24 hours a day, 7 days a week.

Buy Now can be used for stock buying or for specific customer needs. Buy Now also incorporates the Buy Now Showroom. This assists you to retail vehicles by presenting the vehicle in a brochure format, using branding to leverage the value of the vehicle's prior ownership.

The Buy Now system lets you purchase vehicles direct from fleet owners including manufacturers, lease companies, financiers, government agencies, rental companies and insurers at the touch of a button. It has never been easier to find and purchase stock via the Internet.

Buy Now Benefits

- All vehicles are digitally photographed, fully inspected and displayed on the ManheimFowles website so you know exactly what you're buying
- Eliminates the cost and lost time of travel, letting you source vehicles from around the country
- Ideal for smaller dealers who welcome the ability to have access to a 'virtual inventory' of cars available for retail sale
- Buy Now Showroom helps you sell vehicles with no floor-plan charges or risk of over-stocking
- Print priced brochures for your front window and service lounge to generate more sales leads

- Full integration with Quick Search and Power Search make it really easy to find the stock you need
- Looker logins are available for your team so they can source vehicles for you to approve
- Immediate invoicing via email and simple payment and transport procedures so vehicles are on your lot ready to sell as soon as possible
- Dealer 2 Dealer options are available to clear stock that doesn't fit your lot mix
